

Tulsa Attack TEAM T-Shirt Order Info - Deadline Sunday, Feb 2

Club Directors,

If you were unable to provide a team rep on the roster at time of registration, PLEASE FORWARD this email to the team's t-shirt order unless you plan to do it yourself.

Each team should have one volunteer who will:

- Organize the team's pre-order using resources shared below.
- [Submit it online by February 2](#) with payment or mail a check after submitting the order online.

Please give your team members a chance to order ahead of time.

Making life easy for the team's volunteer

1. **Attached and shown below** is an image, mobile ready, to forward through GroupMe, Team Snap, RemindMeThis, etc. to make a quick reply of interest easily by a designated team rep organizing the team's pre-order.
2. **Attached** is also an order form a team rep could send to each parent to return to practice with payment.

We appreciate your help sharing this information. Again, please pass this along if you are not the person to share or organize an order. **Parents and players not knowing about the pre-orders** and not having extras on sale at the tournament for many families and coaches.

Thanks,

Darin
